WHAT THE SCORE CHART TELLS YOU  
All riders start with five points and will score 3 points for a win, 2 for a second place, 1 point or if they fail to finish. Starting positions will be indicated by helmet colours - red (inside) blue (outside), white (lane no. 3), yellow (laps from a clutch start). A yellow flag with a black cross indicates riders entering the last lap and the finish of a race will be shown by a black and white chequered flag.
